

## JOIN US TO RECOGNIZE

# HEALTHCARE SIMULATION WEEK 2018

Lunch & Learn Series | September 17–21

The SimEd Network invites you to expand your knowledge and connect with your simulation education colleagues during this series of Lunch & Learn sessions.

Be the first to hear from these simulation education experts who will also be presenting these topics on the national stage at the Royal College's Simulation Summit in Ottawa later this month.

Light refreshments will be provided.

**SimEdNetwork.com**

MONDAY, SEPT. 17

**Developing Best Practice Knowledge, Skills and Interprofessional Collaborations Along the Continuum of Stroke Care through Simulation**

Lead Presenter: Diane MacKenzie, PhD  
12:30 p.m. – 1:30 p.m. | CHEB, Room 311

TUESDAY, SEPT. 18

**Advanced Debriefing Skills**

Lead Presenter: Dr. Volker Eichhorn  
12 p.m. – 12:30 p.m. | CHEB, Room 311

**Metrics for Measuring Success**

Lead Presenter: Kathy Johnston, BHSc, RRT  
12:30 p.m. – 1 p.m. | CHEB, Room 311

WEDNESDAY, SEPT. 19

**Translating Collaboration into Practice: Using Simulation to Enhance Team Functioning**

Presenters: Tanya Dutton, John Kyle and Karen Bassett  
12 p.m. – 1 p.m. | CHEB, Room 311

THURSDAY, SEPT. 20

**An Evaluation Framework for Determining Results**

Presenters: Marilyn Girouard, BN, MScOD and Dr. Stephen Miller, MD, FRCP(EM), Med  
11:30 a.m. – 12:30 p.m. | CHEB, Room 150

FRIDAY, SEPT. 21

**Sim Training for Interprofessional Health Educators (SLIIC)**

Presenter: Kelly Lackie, PhD, RN  
12:30 p.m. – 1:30 p.m. | CHEB, Room 311

CHEB: Collaborative Health Education Building at 5793 University Avenue
